Sunday, 9:30 a.m. to 5:00 p.m.

Klehm Nursery...serving the Northwest Charles & Son suburbs of Chicago for over a century

GOOD LANDSCAPING IS A GOOD INVESTMENT

Every dollar invested in trees and shrubs will increase the value of your property at least six times the cost of the plants themselves. The years of pleasure and comfort which they bring to you and your family cannot be measured in dollars and cents. Charge accounts can be arranged.

BE OUR GUEST

Each nursery "department" is organized and displayed to make your browsing a pleasure. Our capable and experienced sales force is always ready to give you advice, guide your selections, and answer your questions.

SEE BEFORE YOU BUY

You are cordially invited to visit our friendly "head-quarters" in the big pink barn at the corner of Algonquin and Arlington Heights Roads and to tour the various Klehm Nursery fields to see a wide selection of Evergreens, Trees, Shrubs, Peonies and other perennials in bloom.

PLANT WITH A PLAN

A good planting plan is the first step to good landscaping, regardless of whether your way of living calls for informal plantings of trees and shrubs or requires a more formal approach. Our experienced sales people (including graduate landscape experts) are always ready to advise you on a well-organized planting program, and to help you get the most enjoyment out of your lawn and garden. Do bring measurements and a snapshot or blueprint of your home so that we can be of greater assistance in the proper selection and spacing, as well as helping you create the most effective design.

KLEHM GUARANTEE OF PLANTS

We supply quality plants in a healthy growing condition. Then come the following risks, all beyond our control:

- (a) SOIL too compact, or too loose, or too sweet, or too sour, or too wet, or too dry, or too barren.
- (b) PLANTING too deeply, or too shallow.
- (c) Burning roots with FERTILIZER.
- (d) OVERFEEDING, especially with too much nitrogen.
- (e) SUMMERS too dry, too hot, not enough watering.
- (f) WINTERS too cold, too erratic. Beyond control. "Winter-killing."
- (g) DISEASES, and insect pests, not noticed, some uncontrollable.

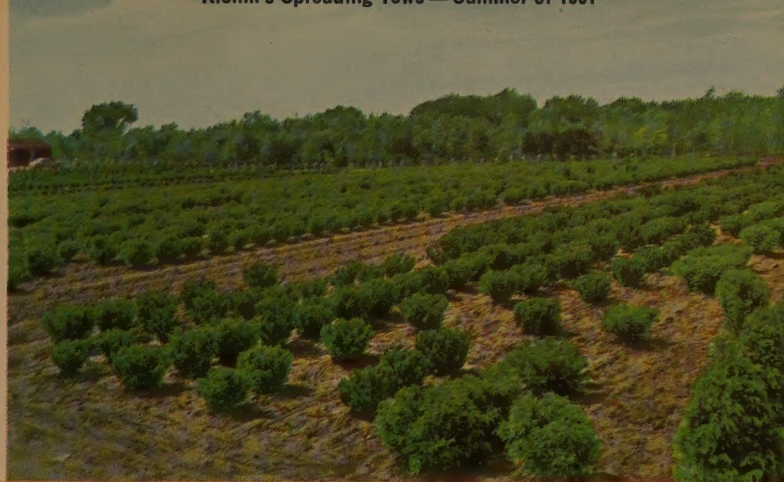

Nevertheless, we share half of the risk for the first six months. We agree to replace at half of original purchase price, FOB nursery, whatever failures, if paid for within 90 days, and if reported within six months after planting or purchase.

We do not offer or wish to supply plants on any other basis. We could increase prices to permit a policy of free replacement, but that would merely penalize the fortunate and the attentive gardener.

View of our Big Pink Barn

Klehm's Spreading Yews — Summer of 1961

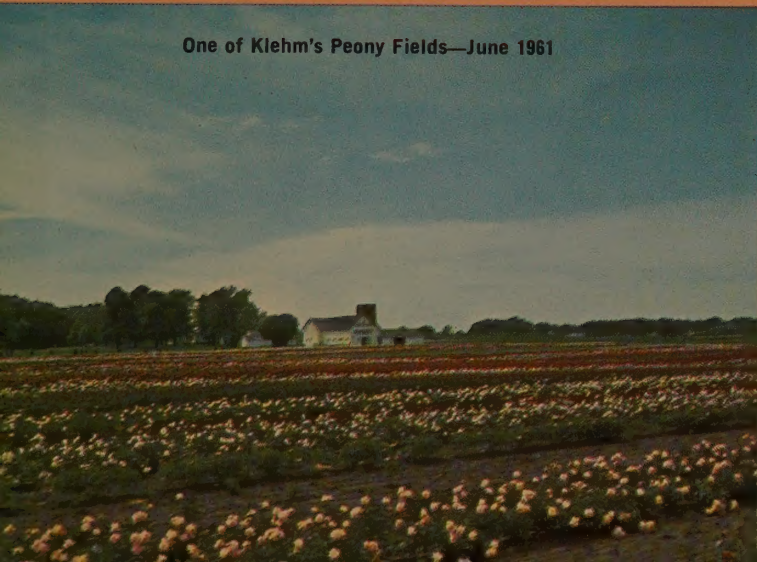

ONE STOP CONVENIENCE—Gift shop, garden supply shop, bulb room, year around greenhouse full of house plants and flowering plants—all these add up to making your visit to our nursery interesting and rewarding.

PLENTY OF PARKING—Acres of parking space set aside for our customers.

Drive in and step out into a new world of color, beauty, fragrance ... and lasting satisfaction.

One of Klehm's Peony Fields—June 1961

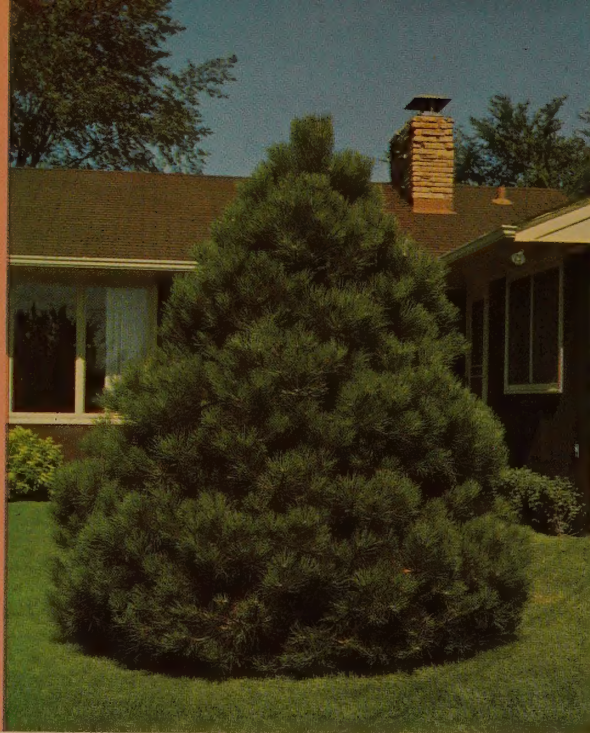

Klehm's Grafted Blue Spruce Field—Summer of 1961

EVERGREENS

HARDY SPECIMENS LOCALLY GROWN

Plant our specimen Evergreens for year-round landscaping effects and four-season color. They will soften building lines, giving your home a pleasing appearance.

SCOTCH PINE—A typical Klehm's well-sheared specimen.

COLORADO BLUE SPRUCE—Klehm's Spruce are hardy, locally grown plants, well adapted to our heavy clay soils.

Evergreens are tolerant to a wide variety of conditions, being able to grow in almost every kind of soil and enduring both sun and shade. They are winter-hardy. The dense, dark green foliage and the developing new shoots form an effective contrast in the spring. For whatever you need in Evergreens, visit Klehm's salesyard and make your selection from freshly dug sturdy plants.

The planting season extends from the latter part of March through December 15.

All evergreens are dug
with a ball of earth.

ARBORVITAE

Globe (4)—Retains its globe shape without trimming. Foliage is rich green.
24"..... 4.50 36"..... 6.50

Pyramidal (7)—Light green foliage, narrow pyramidal, makes splendid tall screen.
30"..... 4.50
42"..... 6.50 54"..... 10.00
48"..... 8.00 60"..... 12.00

FIR

Concolor (1)—Broad upright evergreen with 2-inch blue gray needles.
24"..... 12.50 30"..... 15.00
Large specimens \$75.00 and up.

Douglas (1)—Soft bluish green foliage, fast growing, large tree.
24-30" ... 9.00 42"..... 15.00
36"..... 12.50 48"..... 18.00

HEMLOCK

Canadian (2)—A very graceful evergreen, does well in partial shade, can be used as a trimmed hedge.
48"..... 15.00

JUNIPERS

Popular, hardy evergreen, providing many forms and much variety in color. For ease of choice, we have divided these into spreading and upright growing varieties. Upright varieties are measured by height and spreading varieties by width of spread.

Spreading Varieties

Andorra (6)—Creeping, spreading, very hardy, rapid grower. Summer color green; winter, plum colored.
15"..... 4.50
18"..... 5.50 36"..... 8.00
24"..... 6.50 42"..... 10.00

Golden Prostrate (6)—Rich golden color.

18"..... 4.50
24"..... 6.50 30"..... 8.00

Hetzi Spreading (3)—Beautiful blue foliage, rapid grower, hardy evergreen.

Potted 1.95
15-18"..... 4.50 36"..... 10.00
24"..... 6.50 42"..... 12.50
30"..... 8.00 48"..... 15.00

Pfitzer (3)—Very hardy, fast growing, graceful spreader with feathery gray-green foliage.

15-18"..... 4.50 36"..... 10.00
24"..... 6.50 42"..... 12.50
30"..... 8.00 48"..... 15.00

Von Ehron (3)—Rich green foliage, rapid grower, vase shaped.

24"..... 4.50 36"..... 8.00
30"..... 6.00 42"..... 10.00

White's Silver King (6) Plant Pat. 1186
—Silver-blue with horizontal branching.

24-30"..... 8.50 30-36"..... 11.00

Upright Growing Varieties

Blue Haven (7)—Brightest blue of all upright junipers.

42-48"..... 12.50 60"..... 18.00
54"..... 15.00 72"..... 22.00

Canaerti (7) (2)—Gorgeous plant with rich green heavy foliage, bright blue berries in fall, maintains good winter color.

36"..... 10.00 48"..... 15.00
42"..... 12.50 54"..... 18.00

Chinese Grafted Varieties (1)—Very hardy broad-based pyramid.

42"..... 10.00
48"..... 12.50 60"..... 18.00
54"..... 15.00 72"..... 25.00

Dundee (7)—A compact symmetrical pyramid, rich green foliage which turns plum colored in winter.

42"..... 10.00
48"..... 12.50 60"..... 18.00
54"..... 15.00 72"..... 25.00

Hetzi Staked (2)—Semi-upright that can be kept from growing too tall.

42-48"..... 12.00
54"..... 15.00 60"..... 20.00

Spiny Greek (2)—Gray-green foliage, broad compact, well-formed pyramid, slow grower.

18"..... 4.50 24"..... 6.50

White's Silver King (2) Plant Pat. 1186
—Staked upright to give an Oriental appearance. Silver-blue color.

48"..... 18.00
60"..... 22.50 72"..... 27.50

PINES

Mugho (4)—A pin-cushion spreading pine that can be kept low.

10" potted..... 3.00
12"..... 4.50 18"..... 7.50
15"..... 6.50 24"..... 10.00

Scotch or Austrian Pine (1)—Bluish green long-needed foliage, fast growing.

30"..... 7.50
36"..... 9.00 54"..... 18.00
42"..... 12.00 60"..... 22.50
48"..... 15.00 72"..... 30.00

Table-top Pine (4)—Low and flat topped with blue coniferous flowers. Attractive small pine cones at early age.

30" spread 15.00 36" spread 20.00

SPRUCE

Birds Nest (4)—A dwarf spreading dense tree.

12-15"..... 10.00 15-18"..... 12.50

Colorado Blue (1)—The favorite specimen evergreen—broad pyramidal tree in bluish tones.

Potted (6-year old)..... 2.50
24"..... 12.50
30"..... 15.00 48"..... 27.50
36"..... 18.00 54"..... 35.00
Extra select blues higher priced.

Colorado Green (1)—Green foliage, broad pyramid.

30"..... 9.00
36"..... 12.00 48"..... 20.00
42"..... 15.00 54"..... 25.00

Koster or Moerheim Grafted Blue Spruce (1)—Bluest of all blue spruce, grafted tree, specimen plant.

72"..... 75.00 78"..... 90.00
Large specimens from \$150.00 up.

Norway (1)—Fast growing pyramidal.

36"..... 7.50
42"..... 10.00 48"..... 13.50

YEWs (Taxus) (Japanese Yews)—The favorite evergreen for foundation planting—dark green foliage—plants well adapted to shearing.

Adams Columnaris Yew (2)—Dense broad conical tree, not as compact as the Capitata, cutting grown.

66"..... 57.50 72"..... 75.00

Browni Spreading Yew (4)—A more upright form than Cuspidata, used as a globe, very compact, darker green than Cuspidata.

15"..... 8.00 24"..... 15.00
18"..... 10.00 30"..... 18.00

Capitata Yew (2)—Upright pyramidal—a dense, broad conical tree. Can be kept in proportionate size.

24"..... 10.00
30"..... 15.00 42"..... 27.50
36"..... 21.00 48"..... 35.00

Capitata Specimen Yew (2)—Older, more dense and heavily sheared upright pyramidal yew.

30"..... 22.50
36"..... 27.50 48"..... 40.00
42"..... 32.50 54"..... 45.00

Cuspidata Spreading Yew (3)—Soft graceful horizontal plant, does well in shaded areas, can be trimmed for nice hedge, box-shape, etc.

8-10" potted..... 2.50
15"..... 6.50 30"..... 12.50
18"..... 8.00 36"..... 15.00
24"..... 10.00 48"..... 25.00

Densiformis Yew (3)—Deep lustrous foliage complementing its compact spreading growth.

15"..... 8.00 24"..... 12.50
18"..... 10.00 30"..... 15.00

Globe Yew (4)—Used to soften lines in landscape or front entrance material.

24"..... 15.00
30"..... 18.00 36"..... 22.50

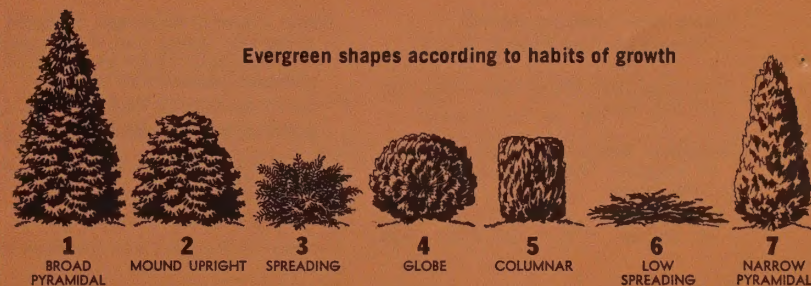

Hatfield Yew (5)—Wide columnar, dense foliage, ideal for narrow hedging.

15"..... 8.00
18"..... 10.00 30"..... 15.00
24"..... 12.00 36"..... 18.00

Hicks Yew (5)—Narrow columnar, dark green foliage, used for narrow areas.

Potted..... 2.50
15"..... 6.50 30"..... 13.50
18"..... 8.00 36"..... 15.00
24"..... 11.00 42"..... 19.50

COMPACT SPREADING YEW (Taxus Densiformis)

Evergreen shapes according to habits of growth

TAXUS CAPITATA—Use Klehm's quality upright Yews for your foundation planting.

BROAD LEAF EVERGREENS

A limited selection of broad leaf evergreens can be successfully grown in this area. Please let us help you make the proper selection of varieties.

Azalea (see flowering shrubs)
Price range from \$4.50 to \$12.00

Euonymus (Coloratus)—See vines and ground covers.

Euonymus Erectus—An upright form of Vegetus. Makes an outstanding dwarf hedge.
15" Potted 1.75
18" Potted.. 2.25 24" B&B.. 4.75

Euonymus Patens—A glossy shrub with orange berries.
18-24" B&B .. 6.50 54" B&B.. 15.00

Euonymus Vegetus (Big Leaf Winter Creeper or Evergreen Bittersweet)—Versatile plant used as a shrub, hedge, vine or ground cover.
2-year potted 1.50
12-15" potted 3.00
18-24" B&B 6.50
24-30" B&B 9.00

Mahonia or Oregon Grape Holly—A shrub with holly-like leaves, holds foliage all winter. Bright yellow flowers in May.
15-18" B&B 7.50 18-24" B&B 10.00

Myrtle (Periwinkle or Vinca Minor)—Evergreen ground cover with blue flowers.
Potted 40c each
Tray of 6 pots..... 2.00
Fld. grown clumps (Bowles var.) 1.25

Pachysandra—See Vines and Ground Covers.

Pyracantha (Firethorn)—Lush green foliage, abundance of white flowers, huge clusters of brilliant orange-red berries.
Potted—1 gallon size..... 2.50
24-30" potted 10.00
36" B&B.. 17.50 48" B&B.. 25.00

Espaliered Pyracantha—Trained to grow flat against a wall or fence.
48" Palmetto type 20.00

Rhododendrons (For best results plant in shaded area.)—Spring only.
Double flowering Pink and Red 12.50-25.00

Yucca (Spanish Bayonet)—Rosettes of sword-like leaves and white candle-like summer flowers give this plant a desert appearance.
6-year specimens B&B..... 4.50
8-year specimens B&B..... 7.50

All evergreens are dug with a ball of earth.

Klehm Nursery
Charles & Son

TREES

FOR FLOWERS, SHADE
and CHARACTER

Nothing in the plant world represents permanence and stability as does a fine tree—chosen for its color, form, character, flower or leafy shelter. Trees dignify and lend balance to a home. When properly planted, they make both the inside and outside of your house much cooler and more comfortable in hot weather. The spectacular show of flowers in the spring from flowering crabs, dogwood, flowering plums and peaches is matched by the breath-taking color of maples and oaks in the fall. Others such as the linden, ash, honey locust and Norway maple provide welcome shade from the heat of the summer sun. In selecting trees, consider what you want them to accomplish and where they must be planted. Bring your problem to Klehm's for a satisfactory and time-proved solution—then sit back and enjoy the lasting beauty of a tree.

Suggested use of trees

Fast Shade

Silver Maple, Sycamore, American Ash, Patented Honey Locusts, American Linden, Hybrid and Chinese Elms.

Dense Shade

Norway Maple Varieties, Sugar Maple, Moline Elm, Lindens, Oaks, Sycamore.

Light Shade

Patented Honey Locusts, Mountain Ash, Golden Rain Tree (Koelreuteria), Flowering Crabs, Birch.

Permanence

Sugar Maple, Crimson King Maple, Pin and Red Oaks, Norway Maple.

Moist Locations

Scarlet Maple, American Sycamore, Willows, Orange Birch.

Outstanding Flowering Effect

Red Bud, Flowering Crabs, Flowering Peach, Magnolia, Golden Rain Tree, Flowering Apricot, Horsechestnut, Flowering Plum.

Outstanding Berried Effect

Mountain Ash, Crabapples, Golden Rain Tree; Washington, Crussgalli, or Winter King Hawthorns.

Fall Color

Sugar Maple, Pin Oak, Washington Hawthorn, Ginkgo, Scarlet Maple, Klehm's Improved Crab, Bechtel's Crab, Flowering Dogwood.

Winter Effect

Hawthorns, Pin Oak, Sargent's Crab, Clump Birch, Orange Birch, Red Bud, Golden Rain Tree.

BALLED AND BURLAPPED TREES AND SHRUBS CAN BE PLANTED ALL SUMMER

NOTE: Unless otherwise specified as "B&B," all trees listed are sold bare rooted when dormant. This dormant period includes all the months from October 15 through May 15 (depending on the season). The wording "B&B" means the tree is dug with a ball of earth that is held together with burlap. This is only necessary in moving larger trees, certain species difficult to transplant, or trees that are in leaf. Young trees are sold by height, older trees are sold by the diameter of the trunk (known as the caliper) measured six inches from the ground. If customer requests ball on trees not catalogued as such, the following charges will be added to list prices—1½", 7.50; 2", 9.00; 2½", 13.50; 3", 18.00.

ASH (Fraxinus)

Green or American—Rapid, tall growing pyramidal tree, easy to transplant, allows grass to grow underneath.

1½".....	12.00	3".....	35.00
2".....	18.00	4".....	60.00
2½".....	22.50	5" B&B...	150.00

Blue—Attractive foliage with corky bark.

8'.....	10.00
---------	-------

Marshall—A new outstanding variety that is seedless.

1¾".....	22.50
2".....	27.50
2¼".....	35.00

BIRCH

Used to create woody naturalistic effect. Primarily planted in the spring.

Clump White Birch—The white bark of its multiple trunks adds great charm to the landscape picture. (The bark whitens with age.)

5-6' growing in basket.....	9.00
6-8' B&B..	18.00
8-10' B&B..	25.00
1½-2" B&B	35.00

Orange Birch—Naturalistic and woody trees with peeling orange bark—3 or more stems.

10' B&B..	25.00
14' B&B..	40.00
18' B&B	60.00

Cut-leaf Weeping—Graceful weeping branches, finely cut foliage and shimmering white bark.

6-8' growing in basket.....	7.50
10-12' B&B..	20.00
2" B&B..	30.00
2½" B&B	40.00

CORK TREE (Phellodendron amurense)

—Ornamental tree grown for attractive foliage and corky bark.

7-8'	9.00
------------	------

ELM

American—A stately, graceful tree with Gothic-type structure.

2-2¼".....	15.00
2½-3".....	20.00
3½-4".....	27.50

Chinese—Hardy, rapid growing slender branched tree, not readily susceptible to Dutch Elm disease.

6-8'.....	3.00
1¼".....	6.00
3½".....	37.50
2".....	15.00
4".....	50.00
3".....	30.00
5".....	65.00

Chinese Hybrid—Very fast growing tree with large leaves, combining the good qualities of the Chinese and American Elms.

2".....	17.50
3".....	35.00
4".....	55.00
3½".....	42.50
5".....	70.00

Cork Elm—An Elm with a central leader and corky branches.

1".....	12.00
1¼".....	15.00

Moline—Outstanding, vigorous columnar tree, fast growing, beautiful foliage from early spring to late fall; allows grass to grow underneath.

1¼".....	12.00
2½".....	27.50
2".....	20.00
3".....	37.50

Wheatleyi—Narrow pyramidal tree with ascending branches.

2".....	20.00
2¾".....	27.50
2½".....	25.00
2½-2¾" B&B	40.00

FLOWERING APRICOT

An excellent early bright pink flowering tree with artistic twisted branching.

2½" B&B	32.50
3" B&B... ..	45.00
4" B&B... ..	60.00

FLOWERING CHERRY

Kwanzan—Well known because of cherry blossom festival in our nation's capital. Double pink flowers.

4-5'.....	3.75
6-8'.....	12.00
5-6'.....	6.00
6-8' B&B..	20.00

Weeping Cherry—Graceful drooping habit, double pink flowers.

5-6' in basket.....	8.50
---------------------	------

FLOWERING CRABAPPLES

The hardiest flowering tree for our climate. Easy to grow as they are native to the Midwest and are one of the finest groups of ornamental trees in existence. The selection of color, flower, fruit, foliage, and habit cannot be compared to any other class of trees. Delicate flowers in spring are followed by attractive foliage; in the fall the red, yellow or purple fruit is very showy and attractive to birds.

Almey—Large fiery crimson blossoms. Blooms when very young. Dark red fruit that hangs on well.

5-6'....	6.00
6-7'....	8.00
7-8'.....	10.00
1¼-1½" B&B ..	15.00

CLUMP BIRCH IN PATIO SCENE—Give Klehm's landscape designers a chance to make your outdoor living room more beautiful and exciting with fragrant and interesting plant material.

Bechtel's—Double pink flowers, no fruit. Small round headed tree.

5-6'.....	6.00
6-8'.....	8.00

Crimson Brilliant (Plant Pat. 939)—A most brilliant red flowering crab, which has purple-red fruit in the fall.

5-6'.....	7.50
6-8'.....	10.00
1-1¼" B&B	12.50

Echtemeyer (pink weeping)—A dramatic tree. The effect is like a fountain with weeping branches that droop from the top of the tree towards the ground. Luscious blood-red buds, followed by pink flowers. Fall fruit is red.

4-4½'.....	7.50
5-6'.....	12.00
1" B&B...	18.00
1½" B&B.	25.00

WASHINGTON HAWTHORN—This is one of the favorite ornamentals of the Klehm organization because of its year-around beauty.

Eleyi—A large wide spreading tree, making a good combination for shade and beauty; red flowers, purplish red foliage, red fruit in late summer.

6-8' 7.50 1½" B&B.. 15.00
1¼" B&B.. 12.50 2" B&B.... 20.00

Espalier—Trained to grow flat against a wall or fence. Almey and Schedecker varieties 5 years old B&B. Individually priced \$15.00 to \$45.00.

Hopa—Popular crabapple because of upright growth habit, profusion of dark pink flowers, and red fruit. Good combination shade and gorgeous flowering tree.

3-4' 3.50 1¼" B&B 12.50
5-6' 6.00 1½" B&B 15.00
6-7' 7.50 2" B&B 20.00

Klehms Improved Crab—Hardy small ornamental tree, round headed, neat and formal. Blooms profusely with fully double 2" pink flowers borne in fragrant clusters. Colors well in fall.

5-6' 6.00 1½" B&B 17.50
6-8' 8.00 2" B&B 25.00

Sargent's—A real dwarf tree with twisted branching effect, white flowers and red fruit—artistic and interesting. Suitable for foundation planting with evergreens.

3-4' 4.50
1½" B&B... 18.00 2" B&B.. 22.50

Schedeckeri—Semi-double, delicate pale pink flowers of great substance and abundance. In fall has yellow fruit overlaid with orange; a semi-dwarf tree outstanding for specimen use.

3-4' 3.50 1¼" B&B... 12.50
5-6' 6.00 1½" B&B... 15.00
6-7' 7.50 2" B&B..... 20.00

Seboldi—Semi-double white flowers, red fruit.

1¼-1½" B&B 15.00

Strathmore—A narrow pyramidal flowering tree with dark pink flowers, leaves remain reddish; makes a wonderful narrow screen.

5-6' 6.00 1¾" B&B.. 18.00
1½" B&B.. 15.00 2" B&B.... 20.00

Tri-Colored Flowering Crab—A conversation piece. Three varieties budded on one tree.

4-5' (potted) 6.50

Zumi Calocarpa—Fragrant pink buds, opening pure white. Dense upright growth with lush dark green leaves. Red fruit.

1¼-1½" B&B 15.00

We also have the following varieties available in various sizes: **Arnold (P)**, **Centennial (W)**, **Dolgo (W)**, **Floribunda Purpurea (R)**, **Jay Darling (R)**, **Parkman (P)**, **Radiant (R)**, **Van Eseltine (P)**.

FLOWERING DOGWOOD

Small horizontally branched tree which flowers in the spring and has vivid red colored foliage in the fall. Does well in shade or under taller trees.

Cherokee Chief (Plant Pat. No. 1710)—True Red Flowering Dogwood. Brilliant red blossoms.

3' B&B 12.00

White—White flowers in spring.

3' B&B 10.00
4' B&B... 12.00 5' B&B... 16.00

FLOWERING PEACH

Outstanding spectacular flowering tree with red flowers. Some varieties available with red foliage.

5' 3.50
1½" B&B.. 18.00 2½" B&B.. 30.00
2" B&B.... 24.00 3½" B&B.. 42.50

FLOWERING PLUM

Handsome hardy small tree that is outstanding in bloom.

Blireiana—Double pink flowers, copery foliage.

6-7' 5.50 1½" B&B 18.00

Veitchi—Double pink flowers, bronze colored foliage, delicious small sweet plums, first tree to bloom along with forsythia.

4-5' 3.50 1" B&B 18.00
6-7' 5.50 1½" B&B 25.00

GINKGO—Maiden Hair Tree

Stately tree with unusual fan-shaped leaves of bright green turning golden yellow in the fall. Immune from insects. Known to have grown in China in prehistoric times.

6-8' budded male trees 12.50

Autumn Gold—Male variety. Specially selected and grafted for beautiful colored fall foliage.

5-6' potted. 12.50 6-8' B&B.. 22.50

GOLDEN RAIN TREE (Koelreuteria)

Spreading tree with panicles of brilliant yellow flowers in summer.

With fruit like a Jack-o-lantern and flowers pure as gold

The attractive Koelreuteria is picturesque to behold.

2"	27.50
2¼"	32.50
2½"	37.50

PATENTED—A new family of thornless locusts have been selected with specific form and purpose in mind. This is one of the finest series of new trees.

Imperial (Plant Pat. 1605). Graceful spreading variety with symmetrical arrangement to form a compact tree.

Majestic (Plant Pat. 1534). Strong graceful tree with spreading growth habit. Casts good shade.

Moraine (Plant Pat. 836). Wide spreading, vase shaped tree.

Shademaster (Plant Pat. 1515). An outstanding tree—claimed by many to be the finest honey locust available. It has the following characteristics:

- | | |
|------------------------------|---|
| 1. Straight strong trunk | 8. Drought resistance |
| 2. Ascending branches | 9. Holds foliage late in fall |
| 3. Heavy, dark green foliage | 10. Deep roots |
| 4. Requires no staking | 11. Does not heave sidewalks |
| 5. Rapid growth | 12. Grass will grow right up to the trunk |
| 6. Transplants easily | |
| 7. Freedom from diseases | |

Skyline (Plant Pat. 1619). A more compact variety with distinctive pyramidal form.

Sunburst (Plant Pat. 1313). Bright golden foliage on branch tips contrasting with the rich green of the inner foliage makes it appear to be in bloom all summer.

Prices of the above patented honey locusts:

Enjoy the Pleasure of Picking Your Own Fruit

FLOWERING SHRUBS

FLOWERING QUINCE—Exciting, exotic shrub for earliest vivid colors. Klehm's nursery recommends planting it balled and burlapped.

DOUBLE MOCK ORANGE—Lavishly abundant, sweetly fragrant flowers of purest white, borne in large clusters.

Balled and Burlapped Shrubs Can Be Planted During the Summer

Shrubs are used to give us color in our yards in the spring of the year. They also provide screening and privacy throughout the summer. In the fall, they again create interest and color with their beautiful autumn foliage and brightly colored fruit. A good landscaper uses these shrubs as an artist uses his palette of colors.

Planting time—during dormancy—March, April, May, October and November.

We also sell specimen shrubs balled and burlapped that can be planted during the summer months.

Suggested Use of Shrubs

Shady Location—Cotoneaster, Dwarf Honeysuckle, Viburnums, Alpine Currant, A.G. Hydrangea, Rhododendrons.

Dry Places—Barberry, Forsythia, Honeysuckle, Privet, Spirea Froebelli, Viburnums, Russian Olive.

Moist Spots—Zabelli Honeysuckle, Red-twigged Dogwood, Pussywillow, Arctic Blue Willow, Forsythia, Viburnum Dentatum, Witch Hazel.

Winter Effect—Highbush Cranberry, Red and Yellow Twig Dogwoods, Red Barberry, Euonymus Alatus, Cotoneaster Divaricata, Pyracantha.

Autumn Color—Euonymus Compacta, Washington Hawthorn, White Dogwood, Viburnums, Red Barberry, Amur Maple, Cotoneaster.

To Attract Birds—Shadblow, Barberry, Highbush Cranberry, Honeysuckle, Viburnums, Nanking Cherry.

Fragrance—Star Magnolia, Lilacs, Mock Orange, Viburnum Carlesi and Caricephalum.

Tall Screening—Red Honeysuckle, Persian or French Lilacs, Mock Orange, Nanking Cherry, Rose Tree of China, Red Leaf Plum, Highbush Cranberry, Wayfaring Bush.

Outstanding Small Shrubs—Flowering Almond, Azaleas, Pygmy Red Barberry, Potentilla, Hypericum, Spirea Froebelli, Cotoneaster Praecox, Deutzia Gracilis, Golden Mock Orange, Frosty Morn Mock Orange, Texas Scarlet Quince.

For Outstanding Flowering Effect—Azalea Hybrids, Forsythia, Rose Tree of China (Prunus Triloba), Royal Purple Smokebush, Viburnum Carlesi, Weigelia Bristol Ruby, Japanese Quince, P. G. Hydrangea, Mock Orange, Lilac, Beauty Bush, Spirea Froebelli, Spirea Prunifolia and Bridal Wreath.

----------------	-------

FRENCH HYBRID LILACS—A Klehm's specialty for four generations. Come to our sales yard in May and buy your lilac plants in bloom.

FORSYTHIA

Earliest flowering shrub with bright yellow flowers, the breath of spring.

Beatrix Farrand (6')—Deep golden yellow flowers with orange markings, often 2" in diameter.

2-3'.....	1.50	3-4'.....	2.00
-----------	------	-----------	------

Gold Leaf (6')

3-4' B&B	5.50
----------------	------

Spectabilis (6')—Popular heavy blooming variety—bright yellow flowers.

2-3'.....	1.00	4-5'.....	1.75
3-4'.....	1.50	5-6'.....	2.50

HIGHBUSH CRANBERRY (see Viburnum)

HOLLY GRAPE (Oregon Mahonia) (2½')

Broad shiny holly leaves, best planted in shade.

15-18" B&B	7.50
18-24" B&B	10.00
24-30" B&B	13.50

HONEYSUCKLE

Popular universally used shrub for fast hedging effect.

Dwarf Clavey (4')—Outstanding medium sized hedge plant; when sheared, it stays dense and full, will grow in partial shade.

2-3'.....	1.75	3-3½'.....	2.50
-----------	------	------------	------

Zabelli (8')—Upright, shapely fast growing shrub with red flowers and bright green foliage. The best tall hedging plant.

3-4'.....	1.10	4-5' heavy ..	1.75
4-5'.....	1.50	4' heavy B&B	4.50

HYDRANGEA

A.G. (30")—White flowers throughout the summer, thrives in deep shade.

24"	1.50
-----------	------

P.G. (5')—Huge pink cone shaped flowers that bloom most of the summer—outstanding shrub that needs sun.

24-30"	1.50	30-36"	2.00
--------------	------	--------------	------

HYPERICUM (Hidcote) (2')

Dwarf shrub with rounded form that blooms with yellow daffodil type flowers during July-August.

15"	1.50
18" potted	2.00

LILACS

French Hybrids (8')—Large leaf type with huge clusters of fragrant flowers suitable for cutting. We recommend buying French Lilacs B&B—well worth the small added price.

Charles X—Single reddish purple.

Ellen Wilmott—Double white (late).

Florence Stepman—Single white.

Ludwig Spaeth—Single deep red (late).

Montaigne—Double mauve pink.

Paul Therion—Double rosy lavender.

President Lincoln—True blue.

3-4'.....	3.00
4-5'	3.75
3½' B&B...	6.00

Persian (8')—Outstanding full dense shrub for screening with lavender flowers, very fragrant but are not suitable for cutting.

3-4'.....	1.75	4-5'.....	2.50
4' B&B			4.50

MOCK ORANGE

Popular shrub, wonderfully fragrant white flowers in June.

Aurea Nana (3')—Dwarf compact form with yellow foliage. Fragrant double white flowers.

18-24"	2.00
--------------	------

Frosty Morn (Plant Pat. 1174) (3')—Double fragrant white flowers.

18-24"	1.75
--------------	------

Minnesota Snowflake (7')—Large double white flowers, profuse bloomer.

3-4'.....	1.75	4-5'.....	2.25
-----------	------	-----------	------

Mock Orange continued next page

AZALEA MOLLIS HYBRIDS—Vivid yellows and oranges. Our hardy azaleas are acclimated to Northern Illinois. Ask for instructions.

FORSYTHIA—Catch a breath of spring with these bright golden yellow flowers. Our varieties are selected for good blooming habits.

Mock Orange—Continued

Single (Coronarius) (8')—Tall screening shrub with sweet scented flowers.
3-4'..... 1.00 4-5'..... 1.50

Virginalis (7')—Loaded with double white fragrant flowers.

NANKING CHERRY (8')

Very early blooming shrub with breathtaking delicate pink-white flowers, edible cherries in July.

3-4' 1.50
4-5'..... 2.00 5' heavy.... 2.50

NINEBARK (Dwarf) (4')

Dense, bushy plant with small deeply lobed, dark-green leaves. Thrives in sun or shade, leaves hold color in hot dry summer. Suitable for hedges.

3-4' B&B... 4.50 4-5' B&B... 5.50

POTENTILLA (2')

Soft fern-like foliage forms good background for bright yellow buttercup flowers throughout summer.

15"..... 1.50 15" potted.. 2.00

PRIVET

Amur River North (See Hedging).

Lodense (2')—Compact dwarf form.
12-15"60

Vicari Golden (5')—Golden yellow leaves, used for color contrast.
15-18" 1.25

WINGED BURNING BUSH—Most outstanding red fall color of any shrub. Our plants are specimen grown.

PRUNUS CISTENA—See Red Leaf Plum.

PRUNUS TRILOBA (Rose Tree of China or Double Flowering Plum) (6')—A double flowering plum that produces large pink rose-like flowers around Mother's Day—one of the most beautiful shrubs in existence. (On own root. This will never revert to wild plum.)

2-3'..... 2.50 4' B&B.... 10.00
3-4'..... 3.00 5' B&B.... 15.00
4-5'..... 4.00 6' B&B.... 20.00

PUSSY WILLOW (10') (French Pink Variety)—Used for moist locations. The silver catkins are popular for flower arranging.

3-4' 1.50

PYRACANTHA (see Broadleaf Evergreens Page 6)

QUINCE (Japanese Flowering) (5')—Spectacular early blooming artistic shrub. Choice shiny foliage. Flower arranger's delight. Suitable for use with evergreens in foundation planting as it can be kept in size. We sell newest hybrid cutting grown varieties. (Good investment to buy quince B&B.)

Aurea—Salmon flowers.
18-24" 2.75

Nivalis—White flowers, wide spreading type.
3-4' wide B&B..... 4.50

Pink Lady—Pink flowers.
2-3' 2.75

Rubra Red—Red flowers.
2-3' 2.75
3-4' B&B..... 4.50

PYRACANTHA ESPALIER—Try this on your blank wall!

Texas Scarlet (24')—Unusual low spreading variety with bright scarlet flowers.
3-4' spread B&B..... 4.50

RED LEAF PLUM (shrub form)—Shrub with red foliage all spring, summer and fall. Nice contrast with evergreens.

Cistena (6')—The best red leaved shrub to bring color to your yard all summer. We recommend Cistena variety since it has the best colored foliage and is a compact grower on its own roots.

2-3'..... 1.75 4-5'..... 3.50
3-4'..... 2.50 4' B&B 5.50

ROSA HUGONIS (Father Hugo's Rose) (7')—Old fashioned shrub for specimen use. Sulphur yellow single flowers in early June, red fruit pods in late summer.

2-3' 1.50

RUSSIAN OLIVE (10')

Silver foliage plant used for color contrast.

3-4' 1.75 4-5'..... 2.50

SHADBLOW (Amelanchier) (10')

Naturalistic large shrub with early white flowers, edible small red fruit, attracts birds.

3-4' 1.75 6' B&B.... 20.00

PRUNUS TRILOBA (Rose Tree of China or Double Flowering Plum)—Klehms are proud of their own-root, heavy specimen plants.

RED LEAF PLUM—We feature Cistena—the best colored, compact variety; these are on their own root.

SMOKE BUSH (Rhus Cotinus) (9')

A large shrub with misty smoky flowers tinted purple. Blooms in July.

3-4' potted..... 4.50

Royal Purple—New variety with rich coppery purple foliage all summer and feathery red plumes in July.

5-6' B&B.. 15.00 7-8' B&B.. 20.00

SNOWBALL BUSH (see Viburnum)

SPIREA

A very popular versatile group of shrubs.

Anthony Waterer (30")—Low shrub with rounded rose-red flower clusters in mid-summer.

18"..... 1.25 24"..... 1.75

Fröebelli (red dwarf) (36")—Strong grower, similar to Anthony Waterer, flowers a lighter red.

24-30"..... 1.50

Prunifolia (old fashioned Bridal Wreath) (5')—Upright medium sized shrub with fine double white flowers in May, leaves color nicely in the fall.

2-3'..... 1.50 4-5'..... 2.50

Thunbergi (4')—A soft, low, graceful shrub with thin arching branches. Single small white flowers covering plant.

30-36"..... 1.50

Van Houttei (Bridal Wreath) (5')—A large graceful shrub, arching habit of growth with spectacular white flowers in May.

3-4'..... 1.50 4' heavy... 2.00

SUMAC

Shrub used for naturalistic setting—has brilliant red foliage in fall.

Aromatic (fragrant) (7')—Small yellow flowers in April, followed by red berries.

18-24"..... 1.50

TAMARIX

Soft graceful shrub with fern-like leaves.

Pink Cascade (7')—Patented variety with feathery silver foliage, bright pink flowers in June and July.

2-3' potted..... 1.75

VIBURNUM

Versatile large shrubs that are easy to grow and tolerant of shade.

American or Highbush Cranberry (9')—Excellent large screening shrub with single lacy white flowers in May and scarlet red fruit that hangs on through the entire winter.

2-3'..... 1.50 3-4'..... 2.00

Carlecephalum (Plant Pat. 776) (7')—Noted for its large pinkish-white flower clusters that have outstanding Korean spice fragrance. Reddish foliage in fall.

30-36" B&B.. 7.50 3-4' B&B.. 12.50

Carlesi (Korean Spice Bush) (5')—Outstanding fragrant pink-white flower clusters.

24-30" B&B. 5.50 30-36" B&B. 7.50

Dentatum (Arrow-wood) (7')—Shrub that grows under adverse conditions; white flowers in June followed by black berries and attractive foliage in the fall.

3-4'..... 1.25 4-5'..... 1.50

Lantana (Wayfaring Bush) (7')—Ideal shrub for shade and city conditions, leathery dark green leaves, single white flowers in summer, black berries in the fall.

3-4'..... 1.75 4-5'..... 2.50

Opulus Sterile (Snowball) (7')—Blooms profusely with large double white flowers in late May.

3-4'..... 2.00 4-5'..... 2.50

Setigerum (Tea Viburnum) (7')—White flowers—brilliant red berries in fall—one of the finest narrow pyramidal shrubs.

2-3'..... 1.50 3-4'..... 2.50

4' B&B..... 4.50

ANNUALS AND GERANIUMS—One of the largest and most complete selections to be found. Available in flats and pots in May and June.

Annuals will give you continual bloom in your garden from early summer till late fall.

PERENNIALS—Come and see our perennials as they come into bloom. They are field grown. We feature them potted and ready to be planted into your yard for immediate effect.

BULB ROOM—Gladioli, lilies, begonias, tulips, daffodils, hyacinths, etc. Our bulb room is well known for its wide selection of quality bulbs. These are displayed with pictures.

WEIGELIA (Cardinal Bush) (6')

Abundance of gorgeous flowers on a medium sized shrub. Red flowering varieties bloom in June and repeat bloom in August and September.

Bristol Ruby—Flowers sparkling ruby red, repeat bloomer.

3-4'..... 2.00 4-5'..... 2.50

Rosea—Pink flowers in late May.

3-4'..... 1.50 4-5'..... 2.25

Vaniceki—Deep red flowers, vigorous grower, repeat bloomer.

3-4'..... 1.75 4-5'..... 2.25

Variegated—Leaves are variegated white and green, flowers are pink.

3-4' B&B..... 5.50

WILLOW

Arctic Blue (3')—Small hedging plant that is used for its soft gray-green foliage.

15-18"..... .75

WINGED BURNING BUSH (See Euonymus Alatus)

WITCH HAZEL (8')

Shrub that is used for naturalistic moist shady locations.

Vernalis—Early spring blooming yellow fragrant flowers.

3-4'..... 2.25

Virginiana—Fall bloom. Yellow flowers.

3-4'..... 2.00

CLIMBING VINES AND GROUND COVERS

HYBRID CLEMATIS—See varieties listed below.

AJUGA

Very low ground cover with blue spring flowers.
Potted . . . 40c each Tray of 6 for 2.00

BITTERSWEET

Shiny green leaves, orange berries.
3 year potted 1.50

CLEMATIS

Our best flowering vine. Spectacular bloom, well adapted to our soil and climate. Unlimited use in design.

- Duchess of Edinburgh**—Double white.
 - Durandi**—Pure blue.
 - Henryi**—Large white.
 - Jackmani**—Deep purple.
 - Lazurstern**—Purple-blue.
 - Montana Rubens**—Rose-pink.
 - Nelly Moser**—Mauve-pink.
 - Prins Hendrik**—Large azure-blue.
 - Ramona**—Lavender-blue.
 - The President**—Violet-purple.
 - Ville de Lyon**—Carmine-red.
- Potted 1.75 and 2.50

CLEMATIS PANICULATA

Small white fragrant flowers in fall.
2 year potted 1.50

EUONYMUS

- Coloratus (Purple Leaf Wintercreeper)**
—Good prostrate groundcover, which colors in the fall as the name suggests.
Each 40c 6 in tray for 2.00
- Vegetus (Big Leaf Wintercreeper or Evergreen Bittersweet)**—Rich broad-leaf evergreen foliage for sun or partial shade.
2-year potted 1.50 18-24" B&B 6.50
12-15" potted 3.00 24-30" B&B 9.00

HONEYSUCKLE (15')

Heckrottii—Flame pink and cream gold—two-tone flowers.
2 year potted 1.50

HYDRANGEA (climbing)

Choice vines—dark green foliage, white flowers in late summer, self clinging. Grows in shade.
Potted 2.50

IVY

- Baltic (Thorndale and Bulgarian)**—Lovely hardy evergreen vine to grow on wall—also a good prostrate ground cover in shade.
Potted 1.00
- Boston**—Most popular vine where trellis is not wanted. Fast growing, good fall color.
2 year potted 1.00
3 year potted 1.50
- Engleman**—Large leaves, fast growing, brilliant autumn color.
2 year potted 1.50

MYRTLE (Periwinkle or Vinca Minor)

Broadleaf evergreen groundcover with blue flowers in spring. Wonderful work-saver to plant under shrubs to cut down weeding or to use under heavy shade trees where grass will not grow. Charming interplanted with spring bulbs.
Potted 40c each Tray of 6 pots 2.00
Field grown clumps (Bowles variety) 1.25

BALTIC IVY—Groundcover for shade.

PACHYSANDRA (Japanese Spurge)

Use only in the shade—evergreen ground cover 5 inches tall.
Each . . . 40c 6 in tray for . . . 2.00

PHLOX SUBULATA (Creeping Phlox)

Masses of red, blue, pink or white flowers cover plant in spring. Plant in full sun.
Potted 50c each

ROSE CLIMBERS

—See page 20

SILVER LACE VINE

Most rapid growing vine. Fragrant, lacy white flowers in fall.
2 year potted 1.50

TRUMPET CREEPER

Orange trumpet flowers—showy.
2 year potted 1.50

VIRGINIA CREEPER

Rapid growing vine, large leafed.
3 year potted 1.50

WISTERIA VINE (blue)—Grafted.

2 year potted 2.00

HEDGING...beautiful living fences

Listed below are some of the evergreens and shrubs that are suitable for growing into a neat trim hedge. If you have a favorite shrub, ask us about its suitability for YOUR living fence. Some striking highly personalized landscapes can be created this way for you.

ALPINE CURRANT (18-36")

Lovely full hedge adapted to any conditions. Shade or sun.

12-15".....	.75	18-24".....	2.00
15-18".....	1.50	24-30".....	3.00

BARBERRY (for prices see Shrubs)

Red or Green (24-48")—Barrier type hedge, good color.

Pygmy Barberry (8-12")—Low, colorful hedge.

COTONEASTER ACUTIFOLIA (3-6')

Best narrow hedge. Shiny dark green foliage.

18-24".....	.75
2-3'.....	1.25
3-4'.....	1.50
3-4' heavy ..	1.75
4-5'.....	2.50

COTONEASTER DIVARICATA (2½-5') (for prices, see Shrubs)

Wide spreading, graceful hedge.

CRABAPPLE (for prices, see Trees)

Strathmore Flowering Crab (12')—Upright pyramidal crab with deep pink flowers, reddish foliage.

EUONYMUS ERECTA (12-18")

Small dark broad leaf evergreen. A truly upright grower for trim hedge.

15" potted..	1.75	18" potted..	2.25
24" B&B	4.75		

EUONYMUS PATENS (18-48")

A glossy broadleaf evergreen shrub with orange berries.

18-24" B&B.. 6.50 54" B&B.. 15.00

EVERGREEN HEDGES (for prices, see Evergreens)

For choice quality and year-around beauty—Arborvitae, Pine, Hemlock, Upright Junipers, Yews.

FLORIBUNDA ROSE HEDGE (1-3') (for prices, see Roses)

Floribundas make a spectacular ever-blooming low hedge—not to be confused with common Multiflora Roses.

HONEYSUCKLE

Dwarf (Clavey) (18-36")—Outstanding for shearing into tight hedge—will stand semi-shade.

2-3'.....	1.75	3-3½'.....	2.50
-----------	------	------------	------

Zabelli (5-9')—Red flowers—dense, upright, fast growing hedge or screen; stands all adverse conditions.

18-24" 10 or more, each.....	.35
3-4'.....	1.10
4-5'.....	1.50
4-5' heavy	1.75

PERSIAN LILAC (6-9') (for prices, see Flowering Shrubs)

Full, dense hedge with fragrant lavender flowers.

PRIVET (3-8') (Most economical hedge)

Amur River North—Hardest and best privet with olive-green foliage.

Prices 10 or more

10-15" ..	.18	3-3½'	.50
2-3'	.35	3-3½' extra heavy ..	.75
Bundles of 20 privet.....	2.50		

Other varieties listed in shrub list.

ROBIN HOOD ROSE (3' or over)

The only one of the many advertised "hedging roses" that we recommend. Cherry red flowers produced in clusters in spring, summer and fall. Suitable for large areas. Use Floribunda Roses for smaller areas.

Each.....	.50	10 for.....	4.00
-----------	-----	-------------	------

WASHINGTON HAWTHORN (6-15') (for prices, see Trees)

Narrow screen outstanding for year around interest—white flowers in spring, glossy summer foliage, interesting red winter berries.

WINGED BURNING BUSH (3-7') (for prices, see Shrubs-Euonymus Alatus).

Dense hedge, needs very little trimming, interesting corky bark. Vivid red fall color.

WILLOW (18-36")

Arctic Blue—Dwarf shrub with gray-green foliage.

15-18"	.75
--------------	-----

YEWS (for prices, see Evergreens)

Japanese Yews are unequalled for choice hedging material.

Taxus Capitata (7' up)—Upright, tall hedge.

Taxus Hicksi (5')—Columnar hedge—narrow.

Taxus Hatfield (5')—Columnar hedge, wider than Hicks.

Taxus Cuspidata Compacta (1-3')—Can be kept low, trim and formal.

UPRIGHT COTONEASTER—Best narrow hedge.

ALPINE CURRANT—Choice compact hedge.

Klehm
Charles & Son

Everblooming ROSES . . . grown in pots for guaranteed success and early bloom

The Rose is truly the Queen of Flowers. No other is so universally loved or will give greater enjoyment all summer. We have Roses for every taste, including the latest All-American patented varieties.

Roses are usually grown as bedding or climbing plants but can be used as background or foundation plantings and as hedging.

POTTED ROSES—Our Potted Roses give you an outstanding summer-long flower display. By potting these plants in extra large containers early in February, we encourage root action before the top begins to grow, getting a head start on the growing season and thus insuring earlier and larger flowers. These roses are hardened off and ready to plant after April 20th or any time later in the spring or summer with no setback.

PEONIES

our specialty since 1902

The Peony is rated among the most beautiful of all plants. Its magnificent blooms and lush foliage may be produced with far less care than almost any other flower. Long regarded with deep affection by flower growers everywhere, Peonies have been handed down in families as garden heirlooms. Literally thousands of Peonies are growing today that were planted more than 50 years ago. The Klehm Peony fields in June are a breathtaking sight; that is the ideal time to make your selection. A labeled display is also assembled in our Garden Shop at that time. Place your order then for fall delivery. Peonies should be planted in September or October.

NEW JAYCEE PEONY . . . \$3.50

3-5 Eye Division

We are proud to introduce our newest patented Peony (Plant Patent No. 2011). The official flower of the Junior Chamber of Commerce of the state of Illinois, JAYCEE is a huge American Beauty Red peony. This vigorous strong-stemmed grower with lovely dark green foliage and spectacular bloom is the culmination of almost 60 years' experience in developing finer peonies.

PLANT WITH A PLAN

BRING A SNAPSHOT AND DIMENSIONS OR BLUEPRINT OF YOUR HOME SO THAT WE
CAN ASSIST YOU IN THE PROPER SELECTION AND LAYOUT OF YOUR PLANT MATERIAL

KLEHM'S GIFT SHOP

We have a large selection of choice pottery, vases, planters, figurines and other gifts from all over the world. You'll find many unusual ideas, center-pieces, flower arranging materials, wall plaques, "conversation pieces," and collector's items in our unique Gift Shop. It's the place to browse whenever you have the time!

KLEHM'S GARDEN SUPPLY SHOP

For relaxed gardening, let the trained personnel from KLEHM'S BIG PINK BARN recommend the right

- FERTILIZERS**—for maximum beauty of your lawn and flowers;
- WEED KILLERS**—to eliminate torturous hours of digging dandelions and crab grass;
- CHEMICALS** to easily control garden diseases and insects;
- MULCHES** to break up heavy clay soil and keep down weeds.

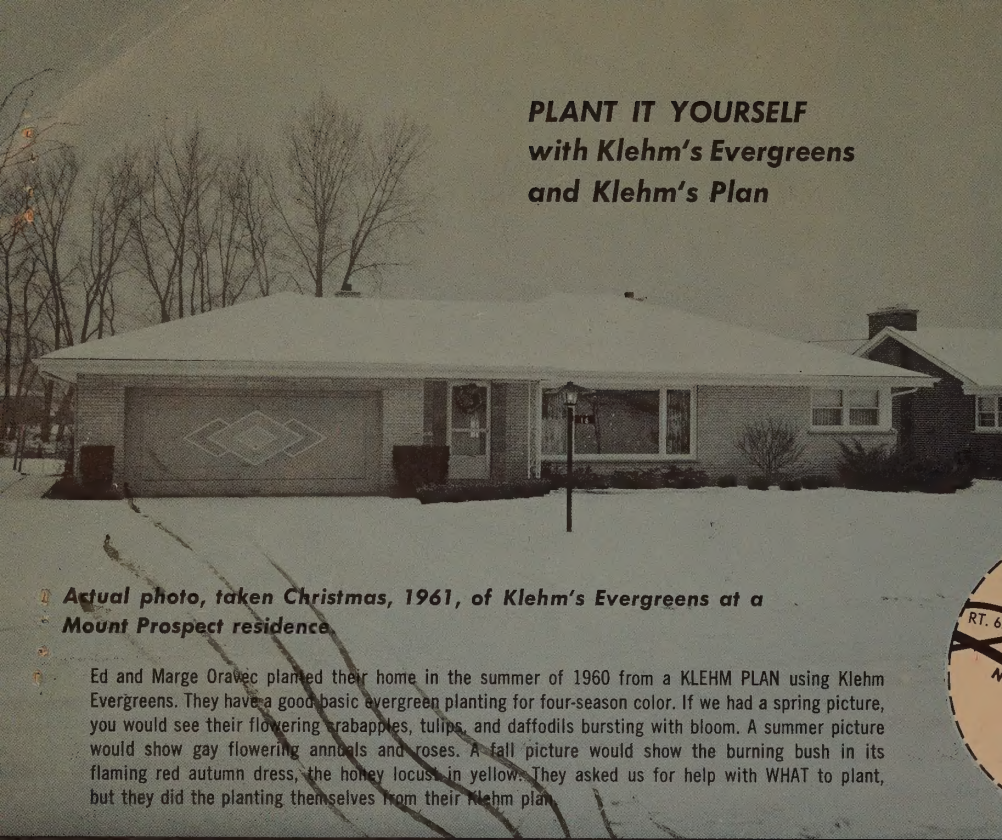

Our services include helping you choose the **RIGHT LAWN SEED** for your lawn conditions, and the 24-hour loan of garden equipment to help you with your lawn.

We also sell garden equipment that will make your job a breeze. We feature KLEHM'S own **FERTILIZERS** and **EXCEL GRASS SEED** and carry the products of **Scott's, Vaughan's IMC, Armour, Ortho** and **Dupont**.

KLEHM'S GREENHOUSES

You will like our wide variety of green foliage house plants, including the more exotic and unusual types. We have potted flowering plants—azaleas, mums, cyclamen, African violets, geraniums. In season, we sell cut flowers fresh from our fields—peonies, French lilacs, gladioli.

**PLANT IT YOURSELF
with Klehm's Evergreens
and Klehm's Plan**

Actual photo, taken Christmas, 1961, of Klehm's Evergreens at a Mount Prospect residence

Ed and Marge Oravec planted their home in the summer of 1960 from a KLEHM PLAN using Klehm Evergreens. They have a good basic evergreen planting for four-season color. If we had a spring picture, you would see their flowering crabapples, tulips, and daffodils bursting with bloom. A summer picture would show gay flowering annuals and roses. A fall picture would show the burning bush in its flaming red autumn dress, the honey locust in yellow. They asked us for help with WHAT to plant, but they did the planting themselves from their Klehm plan.
